**FAMILY
ON MISSION**

PASTOR'S CORNER

We have had several ministry related concerns for our prayer life this week. Mikayla Skalina had surgery on her legs to correct issues that she has had with her Achilles tendons. Doug McAfee notified us that his dad, our dear friend Terry McAfee, passed away on Wednesday. And tomorrow morning we will be remembering the life of Jane Eggert, the mother of one of our Preschool teachers, Caroline Novak. **Please remember these families with your prayers and acts of love and support.**

This Summer we will start something new. Every summer I try to focus on one book from the Bible. This year, God and I have been having a prayer tussle. God has been calling me to preach on Hebrews. While it is a beautiful book, it is complex and longer than other books of the New Testament. I was asking God to let me preach I John, but I should know better by now that I can't tell God what to do. So, Hebrews it is! Beginning on July 4th, we will look at Hebrews in depth!

We also want to find a way to reconnect. Each week, we will offer a brief Bible Study and discussion session on Hebrews that parallels the preaching series. I will spell this out more in the coming weeks.

This week join me as we look at Mark 3: 20-35 as Jesus reinterprets the meaning of family. Jesus is challenged by his family and his response is to describe what a true family is like – a family on mission! That is the vision that Jesus has given us as well. How are we doing?

Scripture readers are needed!

Please consider reading the scripture for worship this year. Readers are needed for the in-person/live streamed service. You could read Sunday in-person or provide a video that will be shown at the service. If you prefer the video, you would read and record the scripture, email it to the church office and it would be added to the worship service on Sunday. It's only a few verses, you could use your smart phone to record and send the video, and you can have do-overs if you stumble over a word or name! You would be given the scripture well in advance and it would be needed by the Thursday before your worship service. Sign up on the link at the top of this E-Weekly email and contact the office with questions. Thank you!
