### PASTOR'S CORNER

This past Sunday we had a technology issue with our livestream. Glitches like this happen with technology and so **we apologize that we were not able to livestream the service for you.** But we are grateful that God is with us always in season and out of season. We did capture the baptism on video, so we invite you to take a look at that part of our in-person worship on our Facebook page.

In July, I will begin a sermon series on the book of Hebrews. We will have a study that goes along with this series on Monday evenings. The study will focus on the portion from Hebrews that I preached on the day before. Whether you are present in the sanctuary or worshipping online, we want you to participate. We will have an opportunity for those who want to gather at church to do so, but you could also form a group to meet at your home for discussion. We will stream and record this study so that you can do it at home by yourself, but ideally, we think it is best with others. **So, whether it is a family group, a Monday night football group, a sewing group, or a small group, our invitation is to include some discussion time on the book of Hebrews and how it impacts our lives today.**

**This Sunday, join us as we explore the story of "Jesus Calming the Storm".** If you thought the Christian life was enjoying a leisurely boat ride, eating with Jesus and learning a few things about the Bible, think again! If you want to read ahead, look at Mark 4: 35-41.

## Scripture readers are needed!

Please consider reading the scripture for worship this year. Readers are needed for the in-person/live streamed service. You could read Sunday in-person or provide a video that will be shown at the service. If you prefer the video, you would read and record the scripture, email it to the church office and it would be added to the worship service on Sunday. It's only a few verses, you could use your smart phone to record and send the video, and you can have do-overs if you stumble over a word or name! You would be given the scripture well in advance and it would be needed by the Thursday before your worship service. Sign up on the link at the top of this E-Weekly email and contact the office with questions. Thank you!
