PASTOR'S CORNER

Happy Fourth of July to you all!

As we prepare to celebrate our national independence, I am reminded of a quote from one of our worship resources. "Patriotic holidays celebrate our earthly freedoms" – and for those freedoms we are grateful! "However, true freedom comes only through the cross of Jesus Christ." I think it is fitting that Independence Day falls on a Sunday this year. We will celebrate both of our freedoms! **We will sing some patriotic hymns and some worship songs. And remember that true freedom only comes from Christ!**

Remember next Sunday (July 11) we will begin our series on the book of Hebrews. **Start to form your study groups for weekly conversation and discussion on some teaching and questions that I will be sending out each week.**

Join us as we take a look at "the call to listen and to hear". Our scripture will come from **Mark 6: 1-13** where Jesus is rejected in his hometown of Nazareth and then he sends out his disciples to do the things he has been doing – preaching, healing and casting out demons. Jesus hit some resistance in Nazareth. What kind of resistance will the disciples encounter? **Join me as we look at the theme, "Do you hear what I hear?"**

Scripture readers are needed!

Please consider reading the scripture for worship this year. Readers are needed for the in-person/live streamed service. You could read Sunday in-person or provide a video that will be shown at the service. If you prefer the video, you would read and record the scripture, email it to the church office and it would be added to the worship service on Sunday. It's only a few verses, you could use your smart phone to record and send the video, and you can have do-overs if you stumble over a word or name! You would be given the scripture well in advance and it would be needed by the Thursday before your worship service. Sign up on the link at the top of this E-Weekly email and contact the office with questions. Thank you!
