Sermon series and study of the Book of Hebrews

PASTOR'S CORNER

Lately there has been a lot in the news about space. Earlier this week we saw Richard Branson jet off into the edge of outer space. Another multi-billionaire, Jeff Bezos, plans to take flight next week. And I am sure that Elon Musk will not be far behind, although his space rocket company has already been hauling things into space (including a Tesla).

All of this space talk has me reminiscing about some favorite after school TV reruns. I remember the crew and shipmates who were stranded on a Pacific Island with Gilligan, and I also watched Beaver get into trouble on "Leave it to Beaver." **Another favorite was Will Robinson and the Robinson family who were "Lost in Space!"** Do you remember the famous line from that show? Well, if not, join me this Sunday when we'll re-play it for you.

In the meantime, after launching into the book of Hebrews, we are now in Chapter two. I am amazed at how current this book is for us today. Last Sunday we heard a beautiful introduction to Hebrews, which is really a sermon that beautifully proclaimed the majesty of God, through the Son. Now this Sunday, we will focus on more practical issues in the context of this eloquent book. **If you are reading ahead, take a look at Hebrews 2: 1-9.**

Don't forget my friendly wager with my nephew Pastor Matt! I have \$100 riding on a gift to the Navajo Mission if the Suns win the championship. He has \$100 on Lutheran Disaster Relief. Last Sunday, Our Suns were 2-0. Today we are currently standing at 2-2. **We have a series! Remember we invite/challenge you to join in on the friendly wager. Let's go Suns and let's go church!**

Happy Birthday this month to part of our New Covenant family!!

(Not everyone has given us their birthday so we may have missed a few.) Hope your day is (or was) great!!

SPAM ALERT!!

Every once in a while we hear about people getting an email from someone claiming to be Pastor Steve. It asks for assistance but says he wants to **ONLY** be contacted as a reply to that email. He does not send those emails! Please check the sending email address (not just the name) before you hit reply.

So we must listen very carefully to the truth we have heard, or we may drift away from it.
