## PASTOR'S CORNER

Commitments are a part of our lives, no matter who we are. Students and teachers make commitments to one another to empower student success. And when students succeed, faculty and staff succeed. Effective employers make commitments to their staff and employees in turn make commitments to their employers to ensure success in their business endeavors. Athletes and coaches make commitments each week so that we might cheer on a favorite team. To be effective and to flourish, people need to make commitments. This is no different for the church. For us to make the commitment to lead the church in discipleship and mission, the church needs a commitment from you. How will you support the mission of New Covenant?

As we prepare for our annual Stewardship Sunday, we will focus on our gifts of time, talent, and treasure. We ask that you pray about how you can commit to support the growth of our discipleship and mission as a congregation. On Sunday, November 28, the Board of Ministry invites you to bring forth your commitment to New Covenant for the next calendar year. You can either present a paper copy in worship or you can submit your commitment online. Thank you for your continued support through this past year and for all that you do to support our mission!

This Sunday as we gather for worship, we will celebrate Christ the King Sunday. Christ the King Sunday concludes our liturgical calendar by bringing us to the end with a focus on Jesus Christ the Messiah and King! Endings and conclusions can be sad. And yet, our Lord works wonders even through endings. What may look like an ending to the world as they observe Jesus' death; to the Kingdom of God, it is a new beginning! Join us as we celebrate Christ the King this Sunday and look ahead to the scripture appointed for this Sunday – John 18:33-37.
